

The Federal Way Harmony Kings, in alliance with The Barbershop Harmony Society, and other a cappella organizations worldwide, is committed to enriching lives in every generation and community through the lifelong benefits of a cappella harmony singing.

Our Mission

The mission of the Federal Way Chapter is to promote and support an ever-growing fraternity of men who are drawn together by their love of four-part harmony, predominantly in the barbershop style.

The Federal Way Chapter will:

- Blend male voices in the unique style of Barbershop Harmony through choral and quartet repertoire.
- Provide support and education to successive generations of singers.
- Present audiences with a variety of a cappella entertainment and share the joy of singing.
- Encourage choral excellence through education and scheduled performances.
- Provide a supportive climate for growth in musical and leadership skills.
- Honor personal commitment to be present at rehearsals and performances.
- Continue to perform in concerts and numerous community venues.

The Federal Way Harmony Kings are committed to building better communities and bonding through the pure fun of a cappella harmony. New members will be recruited to perpetuate the craft, the chapter, and the Barbershop Harmony Society.

The Society is built on fundamental principles that drive our mission:
"Keep the Whole World Singing!"
